YOUR FINDINGS

Sentiment Analysis

1. Find Social Media pages related to your company.
2. Chart likes, dislikes, loves, etc. across several posts. Chart the number of comments in those posts.
3. Conduct a sentiment analysis
 1. Create a word cloud: <https://www.freewordcloudgenerator.com/>
 2. Look for themes across the comments. Highlight examples.
 1. For example: Supergirl vs. Spiderman 4 vs The Odyessy
4. After looking at all of this what themes do you see? Is your company in good position or do they need to address concerns?
5. Review your competition as well.
